TRAK Microwave Corporation Appoints Rick Walsh as Sr. Staff Engineer, Technical Business Development

TRAK Microwave Corporation, a Smiths Interconnect business, appoints Rick Walsh as Sr. Staff Engineer, Technical Business Development. He reports to Michael Kujawa, Vice President Sales and Marketing.

Mr. Walsh joins TRAK Microwave from Tampa Microwave, where his last position was Vice President of Engineering. Prior to that appointment, he spent 15 years at TRAK Microwave in various positions including Director of Business Development for Time and Frequency Systems. Rick has over 30 years of experience in the RF/Microwave industry, including design engineering, business development, and operations. Rick and his family reside in the Tampa area, where he is active in various outdoor activities.
